

The Meadows

Golf & Country Club

Rental Equipment

For the beginner or seasoned golfer alike, the Meadows Golf and Country Club can supply proper equipment for your game. (We suggest that you telephone the Proshop (ext.21) in advance to reserve your set, as sets are limited). All sets are available in right and left-handed playing, plus the Meadows Golf and Country Club provides the largest Player Assistant staff in the region. Player Assistants are dedicated men and women who ensure we all start and finish our rounds on time. They also work diligently to ensure that the greens are free from ball marks and the tees and greens from divots. Please assist them whenever possible and REPLACE DIVOTS AND FIX BALL MARKS.

New to golf?*

What you will need for your round at The Meadows:

- Golf Clubs & Golf Bag
- Golf Balls
- Golf Tees
- Golf Glove
- Divot Tool
- Ball Marker

What you might also need:

- Hat
