

The Meadows

Golf & Country Club Dress Code Policy

Proper golf attire recommended, however we do not have a strict dress code. Jeans and denim shorts are allowed as are t-shirts, however collared shirts and slacks are preferred. Please use good judgment and common sense, having consideration for your fellow golfers and keeping your personal safety in mind. The Meadows Golf and Country Club is a soft spikes facility, so metal spikes are not allowed. You may wear other types of shoes as long as they do not damage the greens, however soles should be non-slip to avoid potential injury.
